

EDEN BodyWorks

This set is the perfect travel kit for the curlfriends who like to rock their curly hair, especially when traveling. This travel kit includes the Coconut Shea Curl Defining Creme, Coconut Shea Leave In Conditioner, and Lavender Aloe Smoothing Gel. Our best-selling curl cream and leave in will give you the moisture and definition that your curls need. Lastly, the smoothing gel will boost shine and keep the hair from frizzing.

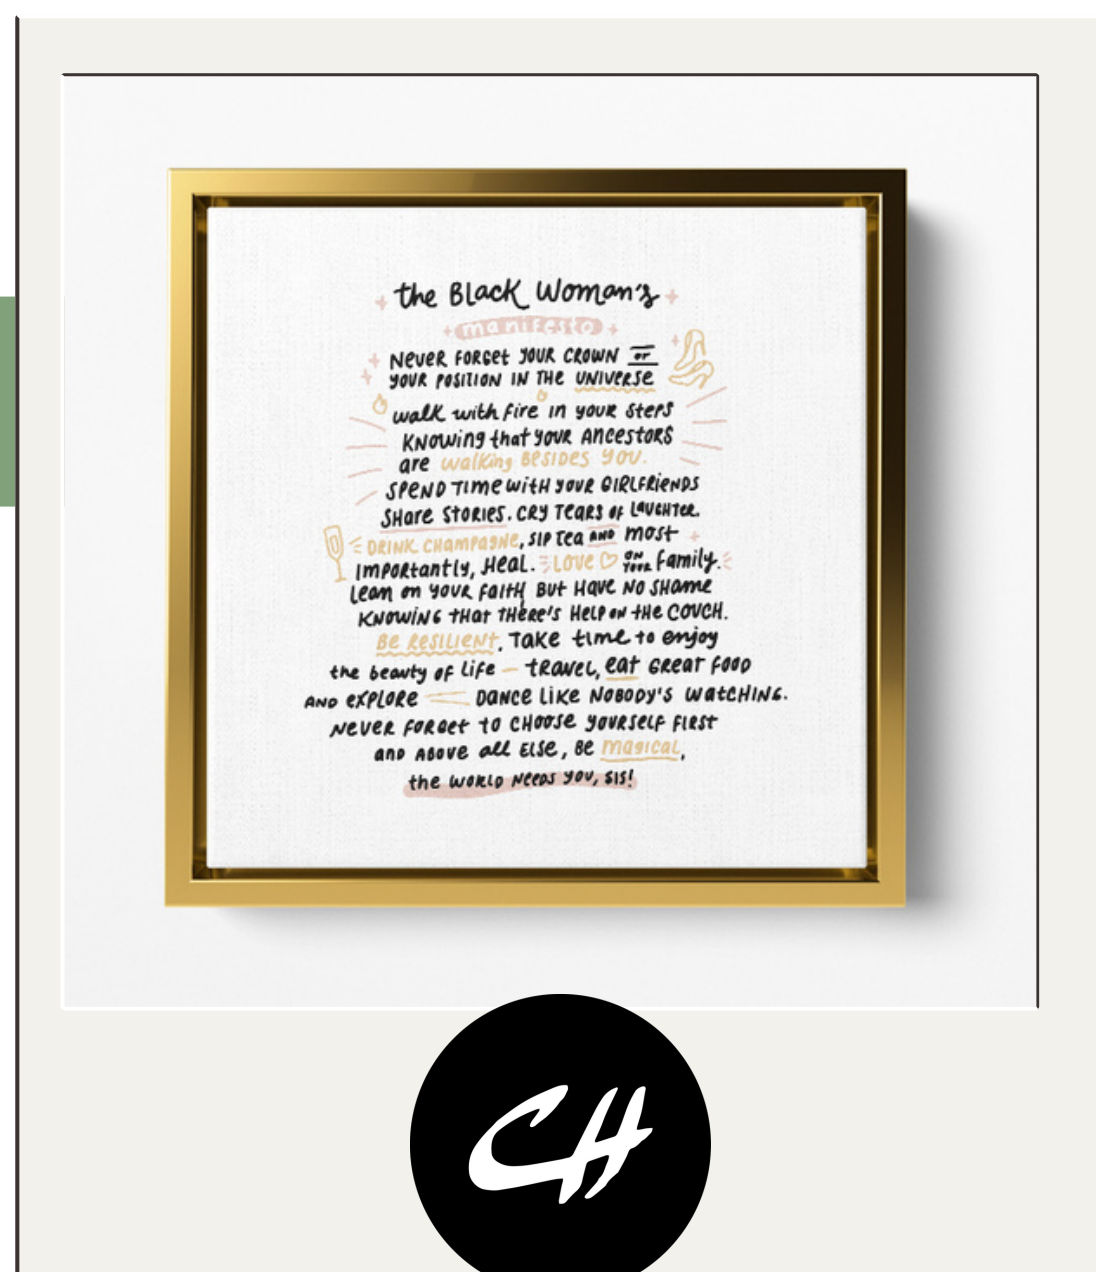

Absolute JOI Skincare

AbsoluteJOI offers physician-formulated essentials for healthy, glowing skin at every age. Created because so much of the beauty world is trying to fight “fine lines and wrinkles”, but that is not how melanated skin shows signs of aging. Instead, the first signs of aging for many people are dullness and dark marks, which require a focus on antioxidant rich products and sun protection – and it’s never too early to start nourishing and protecting your skin.

Cecilia's House

For those times when you feel discouraged, 'The Black Woman's Manifesto' by Cecilia’s House will remind you that pain is inevitable, but if you quit, it'll be forever. Cecilia’s House helps Black women release self doubt and actualize their full potential through high-quality home décor that leverages principles of design psychology.

Hanahana Beauty

For the ultimate indulgence (or aphrodisiac), their Amber Vanilla body butter imparts the rich scent of Amber and the soothing properties of Vanilla. This indulgent blend is known to help reduce skin inflammation, while the mixture of butters and oils helps moisturize, tone, and rejuvenate the skin.

LipLoveLine

Curated by LipLoveLine's Founder & CEO, our "Ask, Seek, Knock" collection invites you to ask for what you want, seek it, and knock on those doors. Their velvety-soft matte liquid lipstick collection includes nude, rose pink, and classic red shades—all the colors you need to take on whatever comes your way. Each uses the same blend of jojoba seed oil, which creates a barrier to lock in moisture keeping your lips soft and supple, and pomegranate flower extract for powerful healing and anti-inflammatory properties.
